Your Dollars At Work - Your Impact

Impact Highlight

Your support brought exceptional clinicians and learning opportunities to our students throughout the year, enriching their musical education beyond the classroom. Through these experiences, our ensembles achieved outstanding success at festivals. Collectively, our Chamber Choir, Wind Ensemble, Intermediate Band, Sr Jazz Band, Jr Jazz Band and Jazz Combo earned **5 GOLDS** and **4 SILVERS** plus **2 student awards** for best solos. In addition, our Chamber Choir was given the opportunity to open for **The Real Group** on their tour stop in Vancouver, and our Senior Jazz Band was invited to perform at the **Vancouver International Jazz Festival** - a true testament to their dedication and the transformative impact of community support!
